## Reviews

“Wow. This place is phenomenal. We came just to have some New England Clam Chowder, but ended up staying for a while to soak up the gorgeous view. Then got sucked into ordering some sushi as well, which was very fresh. Everything was amazing -- food, service, atmosphere, view... even the price wasn't bad (not cheap, but not ridiculously overpriced either)”

“This was my first time at Legal Harborside, and I was blown away by how beautiful it was. The inside is stunning, with gorgeous (seemingly) 360 degree views of the ocean! The building has multiple floors, plus an awesome roofdeck, which is where the oyster event was being held.”
